Comfort Elite III

The Comfort Elite III targets larger gatherings with its three restrooms and extra large 430 gallon holding tank. Perfect for weddings, golf outings, corporate functions, and other upscale special events; even the most discriminating guest will find the accommodations "up-to-par".

Perfect for weddings, golf outings, corporate functions or any special events

Floorplan

Comfort Elite III Exterior Features

- Fold-Down ATP steps with aluminum railings
- LED porch light & occupancy indicator light
- Fresh water
- 20 Amp receptacle required
- Roof mounted A/C & heat
- Generator supplied upon request

The Comfort Elite portable restroom features three fully self-contained restrooms outfitted much like your guests might find in their own home. Each station offers complete privacy, no stalls or side-by-side urinals. The durable and attractive pristine white interiors project an ambience of ultra cleanliness.
